CONFIDENTIAL

20. [] Met with Frank Slatinshek, Chief Counsel, House Armed Services Committee, and gave him a copy of the paper furnished Ed Braswell, Chief Counsel, Senate Armed Services staff, today for use by the Senate Committee in conference on the Proxmire amendments to the Procurement bill. Slatinshek had no questions.

21. [] Talked to [] OSI, concerning the release of a DCI prepared text of the Joint Economic Committee briefing of 12 April to the Net Technical Assessment Task Force of the Defense Science Board. After checking with the Legislative Counsel, I told [] we have no objection in this instance to release of the classified notes.

22. [] Met with Bill Hogan, Counsel, House Committee on Armed Services, who told me Chairman Lucien Nedzi, Special Subcommittee on Intelligence, House Committee on Armed Services, would appreciate clarification of materials set forth at item 123 and 128b of the explanations appended to the draft Baker report on Watergate. Hogan told me also that Chairman Nedzi would appreciate any additional information that might be available in addition to the brief note provided to him concerning the 12 June 1974 call from []
